

WATER PLAY MEETS INNOVATION

# LAZY RIVERS

## Turn a Casual Float Into an Adventure

InterActivePlay adds sensors, activators, and interactive water play zones to the traditional lazy river experience. Interactivity can be turned off at any time for a relaxing float.

- ✓ Switch between lazy river & interactive modes
- ✓ Interactive shooting galleries for gamified fun
- ✓ Pour-over zones add an element of surprise
- ✓ Suitable for various age groups and abilities

### FIVE INTERACTIVE ZONES + BRIDGE GUTTERFALLS

## Every Zone Can Be Customized to Fit Your Park

- 1 Thump Pumps & Depth Charges**  
Thump-pump water features with river-floor depth charges, plus an “explosive” Crate and Barrel with activation trellises.
- 2 Water Blasters**  
Water blasters with hands-on activation devices for riders and pool-deck players alike.
- 3 Pour Over and Gutterfalls**  
A deck-side Pour Over lets guests soak riders below, while a Gutterfalls over the bridge deliver a classic lazy river soak.
- 4 Water War Zone**  
Color-coded trellises activate dueling features between the pool deck and the river for head-to-head play.
- 5 Shooting Gallery**  
A gamified water blaster shooting gallery for kids of all ages!
